

GERARD *et al.*
Appl. No. (To be assigned;
Divisional of U.S. Appl.
No. 09/064,057)

introduce the limitations of canceled original claim 26 (from which claim 41 originally depended) into claim 41, and to correct an obvious typographical error in claim 86. Support for the amendment to claim 41 may therefore be found in claim 26 as originally filed, and support for newly added claim 116 may be found throughout the specification as originally filed, particularly at page 27, lines 7-13. Hence, the foregoing amendments do not add new matter, and their entry is respectfully requested.

Upon entry of the foregoing amendments, claims 1-9, 22-25, 41-45, 81-88 and 116 are pending, with claims 1, 22, 41, 81, 85, and 116 being the independent claims.

It is respectfully believed that this application is now in condition for examination. Early notice to this effect is respectfully requested.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
